

DUBUQUE- A CITY OF HISTORY AND MYSTERY

Join us as we travel to the river city and learn about how the river has influenced the region when we visit the Mississippi River Museum. Marvel at the exhibits that trace the length and impact of the mighty river. Lunch at the historic Hotel Julien is next. We get a quick lesson in the sordid past of this property. Enjoy

lunch where Al Capone may have once walked. Relax in your room at the newly remodeled Hotel before we get ready for our "Who dunnit" this evening. We start with hors d'ouvres and enjoy a four course dinner served in the beautiful Stone Cliff Winery. We become part of the act in solving this interactive murder mystery. Of course we get wine with dinner! Win a special prize for solving the mystery!

Return to the hotel to relax for the evening. The next morning you have free time- take the shuttle to the casino, have a spa treatment at the hotel, or head downtown for some shopping. Lunch at the Diamond Jo Casino is included before we return home having learned about the history and perhaps solving the "mystery" of Dubuque. Join us for this fun, yet relaxing getaway!
